Local latelligence.

W. G. Sherman, one of our most prominent and enterprising business men, has been making a decided improvement in his restaurant and dining rooms. Mr. Sherman's rooms have always been pleasant and satisfactory to his numerous patrons, but, not content with this, Mr. Sherman has decided to furnish his restaurant newly throughout, and is having a tile floor laid in the south 100m—the north room has a tile floor already, and, together with the rew furniture, Sherman's will be one of the largest and most attractive restaurants in the West. Business men can obtain a first-class lunch by going only a few doors from their offices, as Mr. Sherman has the most central location of any restaurant in this city. Ladies can also find all the delicacies of the season served in the best possible manner by polite and attentive

Oysters direct from Baltimore and New York served in every style. Hours, from 6 a. m. until midnight.

### Home Manufactures.

It is with just pride we can point to America's success in manufactures, and especially so is this the case with that most durable of all known floor coverings, "Linoleum." In use, the foreign goods will continually look dirty and dingy, the domestic, bright, clean and pleasing, while the designs and artistic effects are beyond comparison. All carpet dealers keep these remarkable goods.

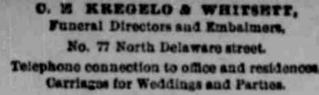

The Globe Tailoring Co. announce in this issue the purchase by them of a large stock of suitings and furnishings, which will be placed on sale Monday, May 25, at their store, 22 West Washington street.

The best spring and summer suitings ever brought to Indianapolis; and the heauty of it all is that we make them up in such nice style that we suit our patrons to a dot, especially as we charge them such reasonable prices and save them from 25 to 40 per cent. Our cutter, Mr. L. Mueller, Jr., with his exremence in the East and at home, has learned just how to do it; and that's why we are getting so much of the nobby trade, the cream of the city and State. L. Mueller, 40 South Illinois street.
